

I started a team for the **Soroptimist International of Albany's 2016 Walk for the Cause**. I invite you to join my team for this FUN one day event on **Saturday, Oct 1<sup>st</sup>, 2016**, that makes such an impact in our community. 100% of the money stays right here to help women and children who are either not insured or underinsured and to help with the costs associated with breast cancer and other serious diseases affecting women.

Registration is easy. Please go to [www.sialbany.org](http://www.sialbany.org), click on Walk for the Cause and then Register. When you're asked if you are going to be associated with a team choose YES and find the team name noted below and put in the password.

On the website you'll find fundraising tips, step by step instruction on how to register, what's new, and much more. You can also customize your page and invite family and friends to donate directly to your secure Fundraising page. Please feel free to contact me if you have any questions. Let's have fun, each hit our personal fundraising goal and show Albany what our team can do! Thank you for your consideration.

You will need the following information to join:

**Team Name:**

**Password:**

Thank you,

Team Captain
